ABOUT THE MUSICIANS

Eastman String Band: Good Deale Bluegrass founder and multi-instrumentalist Tim Finch teams up with the sweet vocals and songwriting styles of Savannah Finch along with renowned Fiddler Jon Glik and Stefan Custodi on Bass. Their music melds the roots of Bluegrass with Americana exemplifying a thrilling "Alt-grass sound". The Eastman String Band mixes heartfelt originals with high energy instrumentals and soaring harmonies!

Hat Trix: HAT TRIX, a classical rock band, is a great sounding trio with Dave Baldwin, guitarist, singer, songwriter with several S.A.W. awards and six CD's to his credit; Dave Sherr, a phenomenal finger-style blues guitarist; and the renowned Hugh Cassidy playing his five-string cello-base.

Coastal Flats is a fun beach flavored tiki-bar type acoustic combo playing Beatles, Buffet, Zach Brown, reggae, blues, rock even some folk jazz and ballads mixed in. The Band is composed of Andy Garte on Guitar, ukulele, flute and Bass as well as vocals, and Gary Harmon on Piano keyboard and vocals. Both bring a broad range of musical experience to each performance.

"Dana & Jeremy" is a husband and wife musical duo specializing in popular music ranging from the 1930's to current. Their unique approach is simple yet elegant (2 voices and a guitar) and provides the audience with a refreshing twist to some of their favorites. When not performing as a duo, you will find them serving at Chesapeake Church where they are both Pastors. They live in Huntingtown with their 3 beautiful kids
