The Eastman String Band mixes heartfelt originals with high energy instrumentals and soaring harmonies!

Hat Trix: HAT TRIX, a classical rock band, is a great sounding trio with Dave Baldwin, guitarist, singer, songwriter with several S.A.W. awards and six CD's to his credit; Dave Sherr, a phenomenal finger-style blues guitarist; Madelyn Byrd who comes from a family of prof. musicians, self taught on piano, autoharp and bowed psaltery. and the renowned Hugh Cassidy playing his five-string cello-base.

Bob and Eddie: Bob Israel has moved from his big band onto more local music and now performs with a variety of musicians. His guitar playing partner, Eddie Czerwinski, grew up in this area and lived the Chesapeake Bay experience. The Bob and Eddie duo now includes well-known Washington, DC blues, jazz, and rock musicians.
